

The Pool Professor Renewal Special

Save money, time and travel by renewing your State of North Carolina Pool Operator Training with the Pool Professor. Here is how it works:

1. You must have already successfully taken a pool operator course and can provide a photocopy of such training.
2. You will be emailed reference materials and an exam to be completed and emailed or faxed back in for grading.
3. Upon achieving a passing grade you will receive renewal documentation for renewal for another 5 year period of time. This will include a documentation of training. The fee is \$100.00.
4. You get two chances on the exam – after that you need to attend a one-day class nearest you at no extra charge.
5. Remember this is only for the State of North Carolina and not the NSPF CPO two day course.

This is what you have been waiting for!!!!
